	Total Revenue 2018-2019	8,925,859,714.00	10,525,722,006.85	100%

	Source	Details
A	Equitable share	The County Governments has been allocated Kshs 372.7 billion of resources raised nationally to county governments. This is equivalent to 39.8 percent of most recent audited revenues, which have been approved by the National Assembly for the financial year 2013/14 (i.e. Ksh. 935.7 billion). Makueni County is set to receive Kshs 7,127,800,000.00 as part of the share.
B	FY 2017/18 Reallocation funds	Represents funds not spent in FY 2017/18. The funds represents the ongoing projects from FY 2017/18
C	Own source revenues	County generated revenue
	County generated revenue	Amount to be collected through payment of fees and charges payable in Makueni County. The fees and charges are contained in the finance bill 2018.
D	Conditional allocations	<p>Conditional Allocations for compensation for User Fees Forgone</p> <p>Conditional Allocation for Development of Youth Polytechnics</p> <p>Conditional Allocation for Leasing of Medical Equipment</p> <p>Conditional Allocation from Road Maintenance Fuel Levy Fund</p>
	Conditional Allocations for compensation for User Fees Forgone	The allocation represents compensation to the county government for revenue forgone by not charging user fees in the county health facilities.
	Conditional Allocation for Development of Youth Polytechnics	The allocation is meant to support county governments in equipping Technical and Vocational Centres and capitation of student fees. The allocation aims at enhancing access to quality and relevant vocational skills training in CTTIs.
	Conditional Allocation for Leasing of Medical Equipment	Allocation is intended to facilitate the purchase of modern specialised medical equipment in Makindu & Makueni Hospitals.
	Conditional Allocation from Road Maintenance Fuel Levy Fund	This allocation is meant to enhance County Governments' capacity to repair and maintain county roads and is equivalent to 15 percent of the Road Maintenance Fuel Levy Fund.
E	Loans & grants	<p>IDA (World Bank) credit: Kenya Devolution Support Project (KDSP) " Level 1 grant"</p> <p>KDSP Grant - Investment Grant</p> <p>DANIDA Grant (Universal Healthcare in Devolved System Program) - FY 2017/18 Funds</p> <p>IDA (World Bank) credit: Kenya Urban Support Project(KUSP)</p> <p>EU Grant (Instruments for Devolution Advice and Support IDEAS)</p> <p>Transforming Health Systems for Universal Care Project (WB)</p> <p>IDA (World Bank) credit (National Agricultural and Rural Inclusive Growth Project (NARIGP)</p>
	IDA (World Bank) credit: Kenya Devolution Support Project (KDSP) " Level 1 grant"	Kenya Devolution Support Program (KDSP) County Capacity Building ("level 1"). This is a grant, financed by World Bank credit to support county government's capacity building under the Kenya Devolution Support Program (KDSP). This grant is intended to support capacity building initiatives in the counties in the following areas— (a) Strengthening public financial management (PFM) systems; (b) Strengthening County Human resource management; (c) Improving county planning and Monitoring & Evaluation systems; (d) Civic Education and Public Participation; and, (e) Strengthening Intergovernmental relations
	KDSP Grant - Investment Grant	This is a conditional grant financed by a World Bank credit, which is intended to incentivize county governments that achieve good results in the key areas under level 1 grant. Allocation is meant to fund development programmes.
	DANIDA Grant (Universal Healthcare in Devolved System Program) - FY 2017/18 Funds	DANIDA-Universal Healthcare for Devolved System Program The project development objective (PDO) of this programme is "to improve utilization and quality of primary health care services with a focus on reproductive, maternal, newborn, child, and adolescent health services. "The Project is aimed to achieve this objective by: (a) improving access to and demand for quality (Primary Health Care) PHC services; (b) strengthening institutional capacity in selected key areas to improve utilization and quality of PHC services; and (c) supporting cross-county and intergovernmental collaboration in the devolved Kenyan health system.
	IDA (World Bank) credit: Kenya Urban Support Project(KUSP)	The Program Development Objective (PDO) of this additional conditional allocation is to establish and strengthen urban institutions to deliver improved infrastructure and services in Wote town.
	EU Grant (Instruments for Devolution Advice and Support IDEAS)	EU-Instruments for Devolution Advice and Support (IDEAS) The grant is meant to purchase a reconstituting Line to fully process puree to juice.
	Transforming Health Systems for Universal Care Project (WB)	This conditional allocation is expected to continue to improve delivery, utilization and quality of primary health care services with focus on reproductive, maternal, new-born, child and adolescent health (RMNCAH) at the county level.
	IDA (World Bank) credit (National Agricultural and Rural Inclusive Growth Project (NARIGP)	This conditional allocation is meant to compliment efforts of the County Government to increase agricultural productivity and profitability of rural communities, and to provide immediate and effective response in case of crisis or emergency
	Total Revenue 2018-2019	10,525,722,006.85

FY 2013-14—FY 2018/19 Budgets

The allocation to development and recurrent budgets has been on an increasing trend.

FY 2018/19 BUDGET

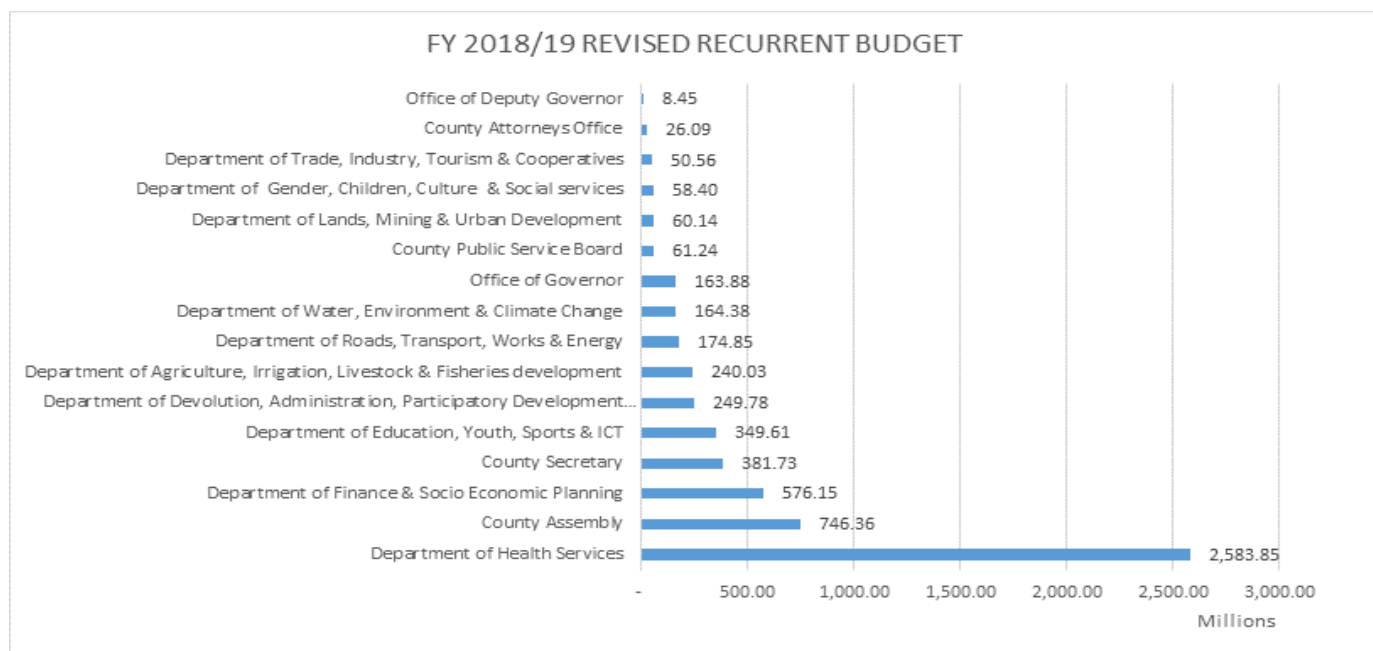

Out of the total supplementary budget for FY 2018/19, Personnel Emoluments accounts for the highest percentage at 41% with Development budget at 44%. Recurrent; Development ratio stands at 56:44 an increase of the original budget recurrent: development ratio of 63:37 According to PFM Act minimum of 30% should be allocated to Development Budget.

Budget as per economic classification

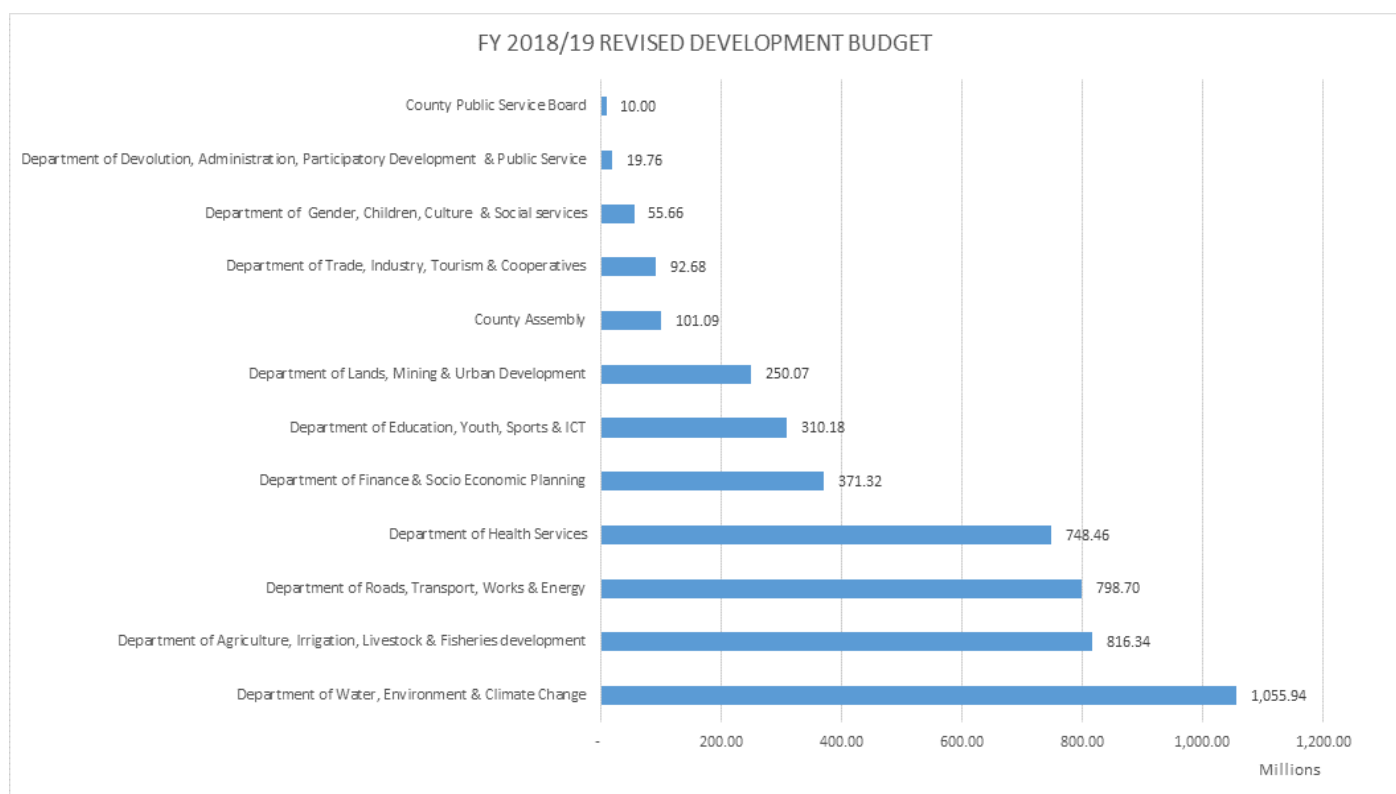

Expenditure Classification	Fy 2017/18 Revised Budget	Fy 2018/19 Revised Budget	Projected Fy 2019/20 Estimates	Projected Fy 2020/21 Estimates
Current Expenditure	6,080,143,475.06	5,895,514,377.97	6,098,790,818.27	6,708,347,614.61
Compensation to Employees	3,360,127,605.04	3,703,735,288.54	4,036,362,781.94	4,441,089,024.65
Use of goods and services	1,848,005,685.51	1,494,124,309.46	1,631,531,311.33	1,793,301,067.46
Other Recurrent	872,010,184.51	697,654,779.97	430,896,725.00	473,957,522.50

Total Expenditure	9,674,396,855.19	10,525,722,006.84	10,020,371,265.72	10,987,929,717.10

The FY 2018/19 portrays a general reduction in the resources allocated towards recurrent activities as more resources are allocated to development activities. The Compensation to employees has been on a rising trend as a result of the mandatory increments to civil servants. The Makueni FY 2018/19 Budget is a balanced budget with the expenditures equivalent to the expected resources. The County has no envisioned borrowing, but with time in subsequent financial years, more resources inform of loans will be sought to implement the Makueni Vision 2025.

The department of Health has the highest recurrent budget mainly comprised of salaries which amounts to 80% of the total recurrent Budget.

The department of Water has the highest development allocation of **Kshs 1,055,942,821.00** while the county public service board had the lowest with **Kshs 10,000,000**.

REVISED 2018/19 BUDGET

The department of health has the overall highest budget of Kshs **3,332,309,427.37** representing 32% of the total county Budget. This has been attributed to high wage bill accounting to 61% of the total Budget

The Department of Finance has an allocation of Kshs 300,000,000.00 for various development initiatives across the wards to mitigate on the effects of the floods experienced in the month of April 2018.

2.0 Revenue review

1.1 Own source revenues

The County targets to collect Kshs **670,500,000.00** from own source revenues. This represents 6% of the total budget. The County envisions to have 10% of the budget being funded through own source revenues; The various revenue streams are as follows;

No	Revenue Stream	Revised Revenue Target	Percentage of the total
1	Single Business Permits	115,000,000.00	17%
2	Plot Rent/Rates & Other Dues	80,000,000.00	12%
3	Liquor License	60,000,000.00	9%
4	Health FIF	60,000,000.00	9%
5	Health UHC	50,000,000.00	7%
6	Sand Authority	40,000,000.00	6%
7	Bmt (Market Entrance)	35,000,000.00	5%
8	Parking	35,000,000.00	5%
9	Public Health	30,500,000.00	5%
10	Agricultural Cess	30,000,000.00	4%
11	Plan Approval	30,000,000.00	4%
12	Stock Market	18,000,000.00	3%
13	Agriculture- MFP	15,000,000.00	2%
14	Livestock-Vet Services	12,000,000.00	2%
15	Water & Environment- Conservancy	10,500,000.00	2%
16	Advertisement & Wall Branding	10,000,000.00	1%
17	Stock Movement	8,000,000.00	1%
18	Building Materials Cess	5,880,000.00	1%
19	Renewal Fee(Kiosks)	5,500,000.00	1%
20	Motor Veh/Cycle Reg	5,500,000.00	1%
21	Fines And Penalties	5,000,000.00	1%
22	Stall Rent	3,120,000.00	0.47%
23	Agriculture- ATC	3,000,000.00	0.45%
24	Agriculture- Mechanization	2,500,000.00	0.37%
25	Weights & Measures	1,000,000.00	0.15%
	Total Local	670,500,000.00	100%

Single Business permits & FIF is expected to contribute the largest share of revenues at kshs 115,000,000.00

To enhance own source revenues, the County Government will;

- Strengthen revenue streams inter-linkages
- Enhance policy and legal framework for revenue collection
- Enhance and embrace change management
- Exploiting the potential of the county natural resources

1.0 Irrigation, Food Security and Agricultural Commercialization

The County aims at attaining among other desirable status, a sustainable food security in the county. The focus will be to ensure production of enough for food security sustenance and at the same time economically empowering the community through trading on the surpluses.

This will be achieved through;

- i. Supporting the growth of ATC Kwa Kathoka to be a model in training farmers on farming as a business.
- ii. Developing an irrigation master plan & water resource map, which is expected to set the base for irrigating 10,000Ha by year 2022.
- iii. cascading and promoting modern & innovative technology advancements in the irrigation sector,
- iv. Investing in the small holders' farmers' at the household levels, through the food security initiative programmes; such as the use of kitchen gardens using harvested water through farm ponds and water storage tanks.
- v. Supporting value addition to agricultural produce across various value chains. This will involve processing meat, hides & skins, cotton, dairy, fruits and vegetables in the county.
- vi. Focus on the growth of both small & large scale agro – processing industries. This will involve setting up of incubation centres in various regions in the county. These incubation centres will offer opportunities for residents to build their skills on agro processing and provide them with an opportunity to make products through the incubation centres.
- vii. Fully operationalize the Makueni fruit processing plant to ensure the firm has the final production line.
- viii. Construct the county abattoir & tannery
- ix. Operationalizing the ginnery and promoting the growth of cotton in the county.

2.0 Reliable Potable Water for Domestic Use

The County Vision 2025 aims at improving access to quality water. The government rolled out the '*kutwiikany'a kiwu*', agenda in the FY 2015/16. This agenda aims at ensuring all residents have access to potable water for domestic use.

To deliver this agenda the county will;

- i. Undertake a water resource mapping exercise that would lead to creation of a database of the existing and potential water resources.
- ii. Invest in water harvesting programmes - construction of dams to harvest rainwater, harvesting of spring and river water, expansion of existing water distribution pipelines, promotion of institutional and household level water harvesting, storage and utilization), storage, treatment and distribution.

3.0 Youth, Women and People Living With Disabilities Social & Economic Empowerment

The County Vision 2025 social pillar goal is to have a just, all-inclusive and cohesive society enjoying equitable social development in a clean and secure environment. The Government will focus on;

- i. Enhancing Employment Skills Development;
- ii. Entrepreneurship development;
- iii. Agricultural Production Incubation;
- iv. Youth Mentorship and Development;
- v. Enhancing Access to Information Communication and Technology; Information,
- vi. Enhancing Sports and Talent Development;

4.0 Universal health care

Healthy population is an important ingredient of social economic development of our county. The government will invest in addressing both the accessibility and the quality of the health services offered to the residents.

The County will upscale the Universal Health Care programme to ensure more households benefit under the program.

5.0 Institutional strengthening, citizen engagement & capacity development

The Government will;

- i. Develop capacity of government departments to embrace and shift to result based management and promote transformative /servant leadership for public service.
- ii. Strengthen performance contracting and appraisals ,
- iii. harness new knowledge and energy through volunteerism, internship and attachment opportunities,
- iv. establish citizen centers and service charters- *mwene nthi* centers,
- v. Harmonize staff skills with functions and remuneration ,
- vi. Strengthen Public finance management – enhanced local revenue mobilization, prudent utilization of public funds, strengthening the link between plans and budgets
- vii. strengthen Participatory development – decentralization of devolution, capacity building of the various participatory development units, strengthening the structures and mechanisms of participatory development
- viii. strengthen public –private partnership, strengthening the coordination and administration function of the county government.
- ix. Enhance community engagement in making decisions and undertaking development through strengthening the village committees, cluster committees, sub ward committee, ward committees, sub ward committees and integrate them with the village councils which will be operationalized with membership of 5 per sub ward.
